1. Approximately 40 US POW's, all officers, are being held in the long two story brick building within the compound at San Ching Lu (三經路) and in Wei Lu (五緯路), 'Mukden.' The men receive three meals daily consisting of bread, soup, and vegetables.
2. A large number of US POW's have been sent from Tientsin (129-71, 42-55) to Erhmienpa (二面坡), on the Harbin-Hatanchiang Railroad.

Comment. This is presumably the compound enclosing the residences and office of the Standard Oil Company. The long two story brick building is its former office.
